

Winthrop Beach Nourishment

Rumney Marsh Restoration

Contract No. P11-2686-C4A

TWO WEEK LOOK-AHEAD

January 16, 2016 – January 29, 2016

The following activities will be occurring over the next two weeks.

Construction activities are completed for this season.

Winthrop Beach

- The wall patching and concrete repairs to the seawall are completed.
- The contractor has demobilized its equipment from the beach
- The contractor's trailer and equipment storage container will remain over the winter next to the bathhouse.
- No work at Winthrop Beach is anticipated over the upcoming winter months.

Saugus

- Work is completed for the winter.
- The environmental monitor will observe conditions of the slopes and erosion control devices throughout the winter

Design for Phase 4 - Winthrop Shore Drive Improvements

- Design drawings and specifications for Phase 4 of the Winthrop Beach Improvements are being advanced. 90% drawings will be submitted on DCR on Jan. 15th.
- Planned improvements include:
 - New and wider sidewalks
 - Repaved roadway
 - New stormwater system
 - Amenities (showers, drinking fountains, benches, bike racks) at entrances at Coral Ave., Cutler Av., Sturgis St. and Charles St.)
 - New stairs near Locust Street

Questions or concerns about the project should be directed to DCR Resident Engineer Steve Colometo, at the DCR trailer behind the DCR bathhouse on Winthrop Shore Drive, by visit or phone (617-539-4957) during regular business hours, Monday through Friday from 7 a.m. – 3:30 p.m. In case of an emergency, contact 911 or DCR's 24/7 emergency hotline at the Massachusetts Emergency Management Agency at 508-820-1428.
